CALL FOR SPONSORSHIP, ADVERTISERS, AND EXHIBITORS

Transportation Industry Colleagues:

The Georgia Section of the American Society of Engineers (ASHE) is honored to host the next National Conference at the Renaissance Atlanta Waverly Hotel and Convention Center in Atlanta, Georgia on June 7-11, 2023. This year is very special to the Georgia Section as it marks the 25th anniversary of our chartering.

The National Conference is expected to attract public and private sector transportation professionals, vendors, contractors, and guests from across the country, and will provide a forum for networking and education on topics relevant to the transportation industry. The agenda is filled with informative technical sessions, social events, and plenty of networking opportunities.

Our conference location will provide attendees with proximity to some of the best activity centers in Metro Atlanta, including The World Champion Atlanta Braves stadium, The Battery Atlanta, the Cobb Energy Performing Arts Centre, and the award-winning Bob Callan Trail which connects visitors to the Chattahoochee National Recreation Area.

We need your support to make this event a huge success! A variety of sponsorship, advertising, and exhibitor opportunities were developed to meet a broad range of marketing budgets so your company can be recognized as a conference partner, furthering the goals of ASHE. Please consider committing before the end of 2022 as early contributions will help us defray the up-front costs of deposits for events and functions. Thank you in advance for your consideration.

Please visit our [website](https://www.ashe.org/conference) for more information and feel free to contact sponsorship@2023conference.ashe.pro with any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Scott Jordan'.

Scott Jordan, PE
Conference Co-Chair
